

The 30-year vision for establishing snowmaking at Rotarun Ski hill has become reality. Thanks to the Nancy Eccles and Homer M. Heyward Foundation, generations of Rotarun volunteers and board members, as well as a community of donors and enthusiasts, we have laid the essential foundation for this amazing community asset. Making snow at Rotarun secures our ability to continue a 70-year tradition of bringing affordable winter sport opportunities to the citizens of the Wood River Valley, both young and old alike. There is still work to do and we invite you to participate in our community-wide effort to secure the remaining funds to complete the project. Please do not hesitate to reach out if you have questions or wish to get involved.

Sincerely,  
Scotty McGrew, General Manager

## PHASE 1: COMPLETE

**\$150K**

### └ INFRASTRUCTURE

- Well construction
- Water delivery system
- Pond completion

## PHASE 2: UNDERWAY

**\$200K**

75% funded  
\$50K to go!
